Teaching Smarter

SIM Framing Routine: Teachers and students use the Framing Routine in conjunction with a graphic organizer called a "Frame" to develop a thorough understanding of information associated with key topics and main ideas. The Frame, a concrete representation of abstract ideas, helps students study essential information and focus on relationships between main ideas and details as well as among several main ideas

SIM Unit Organizer Routine: This instructional tool provides a two-dimensional picture of the content of the unit that allows the teacher to make abstract and complex ideas concrete and simple to relate to student's background knowledge.

Instructor(s): TBD

Participants will get .6 CEUs

Special Assistance: Any individuals requesting accommodations under the Americans with Disabilities Act should contact the support staff before the training.
